

# Simple facts about Muslims, islam

Islam is the fastest growing religion in the world. Here are some fast facts.

## World population

1.8 billion (and counting worldwide) 2nd largest religion in the world.

## Indonesia

Indonesia is the country with the largest Muslim population.

## Not all Muslims are Arab

Arabs make only 15% of the world's Muslim population.

## Teachings in Arabic

The myth that all Muslims are Arab derives from the fact that Islamic traditions and teachings are written and spoken in Arabic. Islam did begin in what is current Saudi Arabia, but Arabs are not the dominant group of Muslims

السلام عليكم
